

Another great achievement in the history of Emirate Al-Mu'minin

The order to close the Quran schools

By:

Abu Ismail Al-Maghribi

الحمد لله ناصر الحق وأهله، هازم الباطل وحزبه، والصلاة والسلام على من بعثه الله بوحيه، فجعله للصادقين منارا، وللظالمين خسارا، وعلى آله وصحبه ومن تبعهم أما بعد:

The people of Marrakech were surprised on yesterday morning 23 Shaban 1434 A.H. by the police of repression encircling the Quran schools in this city may Allah purify it, despite that the trustees of these schools are known to the private and public that they are peaceful to the authorities, and they are known for their loyalty to them, so what do the Tagut and his aides want from this? Let them leave the Book of Allah Alone...

Although we disagree with the trustees of the Quran schools in some issues, we do not deny their favor in memorization of the Quran in Al-Maghrib Al-Aqṣá, and in graduating students of knowledge who clarify to the people their religion and worship despite that there is a disagreement as mentioned previously, so will they learn from the events and know that the Tagut and his aides will never be pleased with them even if they changed their genes, until they follow their religion?

This incident and other injustices against who love this religion, is Insha'Allah the beginning of the end of the Tagut who is called falsely "Amir Al-Mu'minin", who is more worthy to called "Amir Al-Mujrimin -the criminals-" (What! shall We then make (that is, treat) those who submit as the guilty? -35- What has happened to you? How do you judge? -36-) Surah Al-Qalam, will the one who deliberately touches something from the pillars of the Sharia or the basis of the religion to slattern it? So where is the Owner of the heavens and earth Almighty? (Whoso opposeth Allah and His messenger, (for him) lo! Allah is severe in punishment -13- This-- taste it, and (know) that for the unbelievers is the chastisement of fire -14-) Surah Al-Anfal.

What the Muslim should do regarding what happened: Allah Almighty said: (So learn a lesson, O ye who have eyes!) 2 Surah Al-Hashr, and there is a lesson in these events, that being peaceful to the Tawagit and declaring loyalty to it doesn't bring good or drives away evil, and that they and their followers are people of treachery and lowliness who keep no promise or covenant,

since when the demonstrations began in Morocco as in the other countries of the Arab Spring, the Tagut proceeded to bluff the minds and declare the establishment of the new constitution, so the revolution was aborted, but if the demands of the revolutionaries were to remove the manmade laws which the Ummah is still tasting scourges from it, and demanded the implementation of the Islamic Sharia in all the aspects of life, it would have been hard for the Tagut to pull the rug. After his declaring of the new constitution and the alleged reforms, he only opened some of the Quran schools, which the followers of the Tagut closed before the alleged reforms for a laughable reason which is that its senior trustee explained a verse in the Book of Allah an explanation that is contrary to their whims, and today they once again closed it despite that those trustees called to vote for the new constitution based on interests and harms, may Allah forgive them, so who wants to take a lesson let him take a lesson from that, and know that a wolf will remain a wolf even if he uttered words of the lamps...

And congratulations for Emirate Al-Mu'minin this great achievement in the history of the Quran in this country... and this isn't your first blessing.

(and they who act unjustly shall know to what final place of turning they shall turn back) 227 Surah Ash-Shuara
